Free Stamp Set Name: _____

Free Stamp Set Choice - Item #: _____

Date	Stampin' Up! Order #	Amount (before shipping and tax)	Hoot Points Earned (1 for every $50)
10 Hoot Points = FREE STAMP SET (MAX VALUE $30.00)			

How to Earn Stampin' Hoot Point Rewards:

All orders need to be placed thru me (Stesha Bloodhart, Stampin' Hoot!) to qualify.

- For every increment of $50 you spend (excluding shipping, handling and sales tax), you earn a Stampin' Hoot Point. For example, a product order of $49, would not qualify for a Point. A product order of $101 would qualify for two points.
- Separate orders may not be combined to earn points.
- One customer per tracking sheet.
- You are responsible for tracking your orders and points.
- Earn 10 points and redeem using the online Hoot Point Rewards Form, found on my blog (www.stampinhoot.com) in the drop-down menu under rewards for a current stamp set valued up to $30.00.
- Stampin' Rewards/Host stamps are excluded.
- I'll review the hoot point tracking sheet you submit and send your free stamp set pronto.
- Hoot Points expire after one year. Terms and conditions are subject to change.
