**How to Earn Stampin' Hoot Feather Rewards:**

- All orders need to be placed thru me (Stesha Bloodhart, Stampin' Hoot!) to qualify.
- For every increment of \$50 you spend (excluding shipping, handling and sales tax), you earn a Stampin' Hoot Feather. For example, a product order of \$49, would not qualify for a Feather. A product order of \$101 would qualify for two feathers.
  - Separate orders may not be combined to earn feathers.
  - One customer per tracking sheet.
  - You are responsible for tracking your orders and tulips.
  - Earn 10 feathers and redeem using the online Feather Rewards Form, found on my blog ([www.stampinhoot.com](http://www.stampinhoot.com)) in the drop-down menu under rewards for a current stamp set valued up to \$25.
  - Stampin' Rewards/Host stamps are excluded.
  - I'll review the feather tracking sheet you submit and send your free stamp set pronto.
  - Feathers expire after one year. Terms and conditions are subject to change.
