Card Details

Card Base: Pacific Point Cardstock Cut to 4 1/4 x 11 in. Scored/Folded at 5 1/2 inches for a standard sized card that fits perfectly in our Medium Sized Envelopes.

2nd Layer: Basic Black Cardstock cut to 4 1/8 x 5 3/8 in. Adhered with Fast Fuse Adhesive.

3rd Layer: Shimmery White Cardstock cut to 4 x 5 1/4 in. Sprinkled with Prussian Blue Brusho Colour Crystals. I then applied small amounts of water using my Stampin' Spritzer. After the Brusho Crystals started to melt, I left alone to dry.

Butterfly Image: From the Beautiful Day Stamp Set. Stamped with Basic Black Archival Ink on Shimmery White Cardstock, then fussy cut / snipped out with my Paper Snips. I then took my Aqua Painter and added water to the areas I wanted to color with the Prussian Blue Brusho. The Brusho ONLY adheres to the area that is wet. I spread it evenly with my Aqua Painter, then let it dry. I did the same to the four smaller areas, only this time I used the Moss Green Brusho Colour Crystals. It adhered to the 3rd Layer with Stampin' Dimensionals.

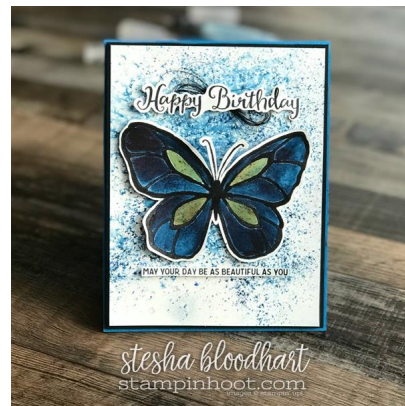

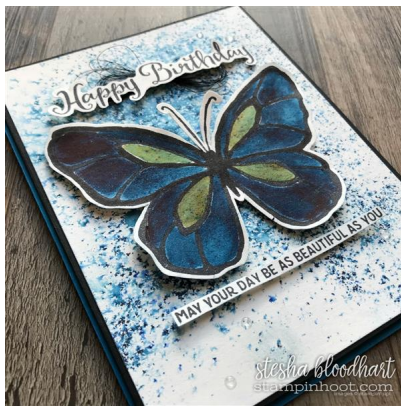

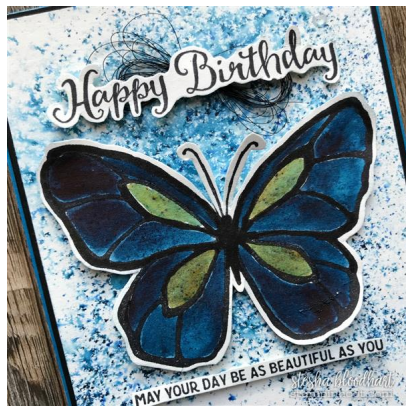

Sentiments: Also from the Beautiful Day Stamp Set. I stamped on Shimmery White Cardstock with Basic Black Archival Ink, then fussy cut / snipped out with my Paper Snips. I wrapped some Black Metallic Thread around three fingers, carefully pulled it off and adhered behind the Happy Birthday sentiment. Both were adhered with Stampin' Dimensionals, cut to size needed.
