Shimmery White Cardstock (item 101910) is the perfect receptor of color from an Aqua Painter. My card base is a piece of **Whisper White 8-1/2" x 11" Thick Cardstock** (item 140272) cut with the **Stampin' Trimmer** (item 126889) to 5 1/2" wide x 8 1/2" tall, then scored at 4 1/4", resulting in a card that is perfectly sized to fit a **Whisper White Medium Envelope** (item 107301).

Use the **Big Shot** (item 143263), **Big Shot Embossing Mat** (item 146327), and largest **Rectangle Stitched Framelits Die** (item 148551) to create a sandwich to emboss a piece of Shimmery White Cardstock and trim to size. Use the large brush tip Aqua Painter to wet the cardstock, first with water, and then with the following Classic Ink Colors: **Pacific Point Classic Stampin' Pad** (item 147098), **Flirty Flamingo Classic Stampin' Pad** (item 147052), and **Crushed Curry Classic Stampin' Pad** (item 147087). **Tip:** Squeeze your Stampin' Pad together to transfer ink to the inside cover, which can then be used as your palette to grab color with an Aqua Painter. Allow the cardstock to dry completely, gently bend as needed to return to shape and adhere to the card base with **Stampin' Dimensionals** (item 104430).

Use a **Clear Block D** (item 118485) for the jar images & a **Clear Block B** (item 117147) for the lollipop image from the **Sweetest Thing Stamp Set** (item 148575). Use 2nd generation stamping (stamp off on scratch paper) to stamp **Smoky Slate Classic Ink** (item 147113) onto Shimmery White Cardstock. Crop with the coordinating **Jar of Sweets Framelits Dies** (item 148524), a Big Shot and the **Magnetic Platform** (item 130658).

Use the medium brush Aqua Painter to add Pacific Point Ink to jars, starting with color on the left side and slowly spreading it to the right. Allow to dry slightly and then add more color as needed until you get the desired result. Add color to the lollipops using the medium brush Aqua Painter and the same colors as the 2nd layer (Pacific Point, Flirty Flamingo, & Crushed Curry).

A **Paper Snips** (item 103579) works well to remove the muslin and separate the top of the jar (center). Adhere the newly separated top to the side of the jar with a **Mini Stampin' Dimensional** (item 144108). You now have an open jar to add your lollipops to.

Use the Big Shot to crop a piece of **Vellum 8-1/2" x 11" Cardstock** (item 101856) with the second-largest Rectangle Stitched Framelits Die. Adhere all jars and lollipops to the vellum with Stampin' Dimensionals.

Use the **Stamparatus** (item 146276) to stamp the sentiment in **Versamark Ink** (item 102283) onto **Basic Black Cardstock** (item 121045) that has been rubbed with an **Embossing Buddy** (item 103083). Cover the sentiment with **White Stampin' Emboss Powder** (item 109132), flick to remove the excess, and set with a **Heat Tool** (item 129053). Trim closely with a Stampin' Trimmer and flag the end with a Paper Snips. Adhere to the vellum with Stampin' Dimensionals.

Adhere the vellum to the card base with Stampin' Dimensionals that are hidden behind the jars and sentiment. Add some Gray Granite **Best Route Enamel Shapes** (item 146900) for an added touch.

A perfect way to step-up or decorate a jar is by adding a colorful rosette to the front of it. To create the rosettes, start with a piece of Shimmery White Cardstock cut to 5" wide. Add the colors with an Aqua Painter (same steps as the card) and allow to dry completely. Cut six 1 ¼" x 5" strips. Use a **Simply Scored** (item 122334) tool to score every ¼". Fold the score lines, alternating directions every fold. Adhere the ends of two strips together with **Tear & Tape Adhesive** (item 138995). Form into a rosette and glue together with a hot glue gun **Note:** 6 strips creates three rosettes.

Crop three pieces of Vellum Cardstock using the **Starburst Punch** (item 143717). Use the **Bunch of Banners Framelits Dies** (item 141488) to crop the banner from the colored Shimmery White Cardstock. Adhere the banner to the vellum starburst with **Mini Glue Dots** (item 103683). Adhere to the rosette with Stampin' Dimensionals. Create the jars, label, and sentiments in the same way as the card (steps listed above) and adhere together and to the rosette with Stampin' Dimensionals. Add **Whisper White Solid Baker's Twine** (item 124262) or similar to the jar topper.
