Cut four 1" x 6" pieces of Designer Series Paper. Score at every 1/4". Fold on the score line, alternating direction at each fold. Adhere two pieces together via the ends with Tear N Tape. Form into a rosette and adhere with a Hot Glue Gun. TIP: I crop a small circle of cardstock and use that to add my hot glue and then place my rosette on top of it.

Crop a large and small flower using the dies (Everything is Rosy) & a die-cutting machine. Adhere together with a Mini Glue Dot. Add a Rose Gold Adhesive-Backed Mirror Embellishment to the center. Adhere to the rosette with hot glue.

Cut several strips of ribbon (Night of Navy/Rose Gold Metallic Edge & Melon Mambo Ruched) at various lengths. Adhere the ribbon and the stick (I used a skewer) to the rosette with lots of hot glue.
