1. Cut a piece of Shimmery White Cardstock to 5 1/2 x 8 1/2. Score and fold at 4 1/4.
2. Zip a 5 1/2 x 4 1/4 piece of Shimmery White Cardstock through a die-cutting machine tucked inside the Layered Leaves 3D Embossing Folder.
3. Use the largest Stitched Nested Label Die and the die-cutting machine to crop the opening as shown. Lightly mark the bottom edge of the card base with the bottom of the opening (to create a guide of where to stamp).
4. Use the Stamparatus to position and stamp the rhino and sentiment onto the card base with Jet Black Stazn Ink. Use an Aqua Painter and the following classic inks to add color: Balmy Blue (sky), Soft Suede (ground), Smoky Slate (rhino), Terracotta Tile & Crushed Curry (bird).
5. Adhere a window sheet to the back of the embossed cardstock with Tear & Tape Adhesive, ensuring it covers the opening completely. Adhere Foam Adhesive Strips along the edge of the
die-cut opening.

6. Cut several leaves off of a strip of Leaf Ribbon. Lay on the center of the card and adhere the frame (using the Foam Adhesive Strips you just added).

7. Stamp the giraffe with Jet Black Stazn Ink. Use an Aqua Painter and the following classic inks to add color: Soft Suede & Crushed Curry. Snip with Paper Snips and adhere, tucked under the frame as shown.
