

STAMPIN' HOOT! POINTS TRACKING SHEET

Date	Stampin' Up! Order #	Amount (before shipping and tax)	Hoot Points Earned (1 for every \$50)
10 Hoot Points = \$50 Shopping Spree On Me!			

How to Earn Stampin' Hoot Point Rewards:

All orders need to be placed thru me (Stesha Bloodhart, Stampin' Hoot!) to qualify.

- For every increment of \$50 you spend (excluding shipping, handling and sales tax), you earn a Stampin' Hoot Point. For example, a product order of \$49, would not qualify for a Point. A product order of \$101 would qualify for two points.
- Separate orders may not be combined to earn points.
- One customer per tracking sheet.
- You are responsible for tracking your orders and points.
- Earn 10 points and redeem using the online Hoot Point Rewards Form, found on my blog (www.stampinhoot.com) in the drop-down menu under rewards for a \$50 shopping spree on me!
- Stampin' Rewards/Host stamps are excluded.
- I'll review the hoot point tracking sheet you submit and send your shopping spree pronto.
- Hoot Points expire after one year. Terms and conditions are subject to change.
